Dear Mr. Bell,

We are new to the Auditor's office and so we are not certain of actions concerning the purchase of computer technology that occurred prior to January 2007. We have provided as much information as we could obtain. If more info is needed we will do our best to locate it for you.

We also want to inform you that our County Commissioners provide in-house staff to support and maintain our computer hardware and to install any updates sent to us from our venders.

Sincerely,
